WALKING BETWEEN WORLDS: BELONGING TO NONE (PAPERBACK)

Reality Press, United States, 2007. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of Jason, my Indigo child. Alien abduction typically runs in families - and Ann Andrews came from a long line of abductees. Although it wasn't until her son's experiences accelerated that she began having dreams and was given back long hidden memories, which enabled her to accept and cope with what was going on with her youngest son Jason. What sets Jason apart from the many other young children who are now being born with exceptional multi-dimensional abilities is that Jason is not only an abductee, but is himself of extraterrestrial origin and he explains that Technically we are all extraterrestrials, because there is no one amongst you who comes from here. After years of uncertainty, Jason progressed from an initial standpoint of fear and terror to the point in his teens when he began accepting their teachings and to acknowledge who he is - one of many Indigo or Star Children here on Earth helping humanity to evolve to the next step. Jason says he came to our planet with two purposes: I wanted to experience what it was like to be human, and as a human, I would be in a better position to help the rest of you when the time comes. Now that Jason has awakened to who he truly is, he welcomes their interaction and works with the ETs. He has developed into a powerful psychic with amazing healing abilities. Walking Between Worlds - Belonging to None raises the bar when it comes to alien abduction books. Like many, Walking offers a fascinating account of strange and unusual events; yet it also takes us into new...
