Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHEN FRED THE SNAKE AND FRIENDS EXPLORE CHARLESTON (HARDBACK)

Petercottonbooks, United States, 2015. Hardback. Book Condition: New. Bonnie Lemaire (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The first Fred book When Fred the Snake got Squished and Mended tells how the friendly snake was sent as a present to the young boy by Jungle Jim. Fred became Fred-Fred temporarily after an accident crossing the road. Happily, the doctor was able to mend him with some special thread that brave Jim collected from beneath a fierce rhino. In the second book When Fred the Snake goes to School, Fred becomes popular when he twists himself into many useful things for the playground, like a soccer goal and a water-slide. But he became lonely and wrote to Jungle Jim, asking him to come and visit his new home. The third book When Jungle Jim comes to visit Fred the Snake tells how Jim and many forest friends brave the ocean journey, to arrive in South Carolina. Now, in the fourth book When Fred the Snake and friends explore Charleston, we follow Fred, the boy, his Mama, Jim and all the jungle visitors as they check out the tourist sights of the city of Charleston. They took a carriage ride, cruised the market and rainbow row, visited the children s museum and fort sumter, splashed in the fountain at Waterfront park, gazed in pretty shop windows, ate moules frites at Rue de Jean, and took a helicopter ride over the city and big bridge. After that they were tired.
