THE PSYCHOLOGY OF CHANGE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 202 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Life Coach and Faith-Based Therapist Cyle Chapman has figured out what makes people give up so easily on their plans, and he explains everything in his book, The Psychology of Change. After years of working with different people who were trying to make various changes in their lives, he understood that the reason for which most of them didn't succeed was that they forgot to change one important aspect: their mindset. To be able to start a new life you have to make sure that you are ready for it. Too often we overlook the fact that it won't be possible for us to live in the new context that we have created for ourselves having the same thought patterns and behaviors we had before we made the change. Our mind is a powerful tool, but it can also become our greatest enemy if we do not learn how to control our thoughts and attitudes. This is why Cyle Chapman decided to write this guide. His goal is to explain to his readers exactly how the human mind works and how their behavior can lead them to failure. He helps people come to their own understanding of their own mind, and then he offers them the methods and techniques that will help them change exactly what needs to be changed in order to achieve success. Those who are currently going through a process of change will gain a lot of insight into what this process truly implies. After reading Chapman's book, they will be able to identify the thought patterns that kept pulling them back. The whole process of change will become more focused and...
