Alix Gower has a dream: to join the ranks of Coco Chanel to become a designer in the high-stakes world of Parisian haute couture. But Alix also has a secret: she supports her family by stealing designs to create bootlegs for the foreign market. A hidden sketchbook and two minutes inside Hermès is all she needs to create a perfect replica, to be whisked off to production in New York. Then Alix is given her big break - a chance to finally realize her dream in one of the most prominent Parisian fashion houses - but at the price of copying the breakthrough Spring Collection. Knowing this could be her only opportunity, Alix accepts the arrangement. But when a mystery from her past resurfaces and a chance meeting has her falling into the arms of a handsome English war reporter, Alix learns that the slightest misstep - or misplaced trust - could be all it takes for her life to begin falling apart at the seams.
