Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2009. Softcover. Book Condition: New. At one stage or the other in one's life, one definitely thinks the way one's body functions. How does this body become highly charged with energy at times, whereas it feels meserable and depressed at other times. The aim of this book is to explain in simple language, how the human body gets its energy, how that energy circulates in the body, how that energy is utilised and distributed, and how we can attain spirituality and increase our horizon of thinking and develop extra sensory perception so that we can understand our body and its working in a better way, what factors influence our particular behaviour, and how those can be modified to our advantage. Printed Pages: 157.
