Not illustrated. 1922 Excerpt: .not fully completed as a collection until centuries after most of the books gathered into it had been written. The use of the Greek version or the Septuagint canon of the Old Testament can hardly be said to have been a matter of gradual adoption in the early Church. There is a practically complete unanimity, undisturbed until St. Jerome's time, who sought to restore the Hebraica Veritas, among the Fathers and ecclesiastical writers from the first to the fourth century, as to the superior value for doctrinal verification of the Old Testament teaching, of the Greek or Septuagint version. Witnesses to this fact are Clement of Rome, the Didach, Barnabas, Hermas, Polycarp, Justin, Athenagoras, Irenaeus, Clement of Alexandria, Hippolytus, Tertullian, the early Latin versions (Itala), the Hexapla, the Lucianian version, and the early Coptic-Sahidic translations. Here we find unquestionable testimony that the Septuagint was the one version to which the early Christians referred without the least misgiving in their controversies with Jewish theologians, as well as in their catechetical and homiletic instructions. That the Greek Canon of the Bible was recognized by the early Christian converts from Judaism is furthermore apparent from the use made of it by those who defected from the Church and affected to draw their arguments for so doing from the recognized version of the Scriptures. These arguments are embodied in the tenets of the earliest heretics--the Nestorians, the Monophysites of Syria and Ethiopia, the Copts, Armenians and Oriental schismatics, and...
