Extremely rare and valuable works are becoming rarer and more valuable every day--those of an ordinary character more neglected, lietween the two extremes there lies the large and important class which forms the back-bone of every library worthy the name. Such books as come within it may indeed rise and fall within comparatively narrow limits, according to circumstances, but as a rule they are stable, and in as much request as they have ever been. They can be bought without fear of the future, and their temporary owner has therefore nothing to regret. It was John Hill Burton who laid it down as an axiom that no good comes of gentlemen amateurs buying and selling, and though that may be perfectly true, and, as we believe, is so, yet it is never wise to pay too...
