Xulon Press, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The collective stories in this deeply moving and powerful book represent the thoughts and experiences of some of the most courageous women I know. They strive to come to grips with the unexplained tolerance and silence of others during their suffering as little girls. Much they have forgotten or their minds repressed in order to keep their sanity; to make a life for themselves in this sometimes hostile world. These wonderful women have tried to go on living as normal a life as they can; suppressing the rage bottled up inside them; repressing the horrible memories which haunt them. Many keep quiet about their suffering; not because they have nothing to say; but because they are supremely better in character and virtue than those men who abused them. Some of these men probably gloat in their seeming success in molesting these girls-now-women; thinking they got away scot-free, but they are so very long. These women will have their great character highlighted in Heaven s Hall of Fame; while these molesters will end up in the Hall of Shame. We salute these survivors; hope and pray that your stories will encourage and empower others. You have suffered in silence, now we hope that your stories will speak volumes to all decent men and women; that they may know the plight of millions of little girls, some already being abused, while others are targets for abuse by other molesters who deal in the inferior and dark world of incest and child sexual abuse. We pray that your lives will be changed and healed. Robert McElroy, D.Min., is a pastor in Terrell, Tx., a Pharmacist in Dallas, Tx. He received...
