REPRODUCTIVE POLITICS

To download **Reproductive Politics** PDF, remember to access the link listed below and download the ebook or gain access to other information which are highly relevant to REPRODUCTIVE POLITICS book.

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Reproductive Politics, Rickie Solinger, Reproductive politics is a term coined by feminists in the 1970s to describe contemporary, Roe v. Wade-era power struggles over contraception and abortion, adoption and surrogacy, and other satellite issues. Forty years later, questions of reproductive rights are just as complex-and controversial-as they were then. Focusing mainly on the United States, Reproductive Politics explores the legal, political, religious, social, ethical, and medical dimensions of this hotly contested arena. Tracing the historical roots of reproductive politics up through the present, Rickie Solinger adopts a question-and-answer format to shed light on such questions as: are sex and reproduction "private" or "public" matters? When was abortion criminalized in the United States-and why? What is "abstinence only" sex education? And how is "reproductive politics" a men's issue as well as a women's issue? Covering a substantial range of information in an accessible and lively manner, Solinger orients readers and provides the knowledge necessary to enter into dialogue with this important and continually evolving field.
