Mathematical Mindsets: Unleashing Students Potential Through Creative Math, Inspiring Messages and Innovative Teaching (Paperback)

By Jo Boaler

John Wiley and Sons Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 1. Auflage. 231 x 189 mm. Language: English . Brand New Book. Banish math anxiety and give students of all ages a clear roadmap to success Mathematical Mindsets provides practical strategies and activities to help teachers and parents show all children, even those who are convinced that they are bad at math, that they can enjoy and succeed in math. Jo Boaler Stanford researcher, professor of math education, and expert on math learning has studied why students don't like math and often fail in math classes. She followed thousands of students through middle and high schools to study how they learn and to find the most effective ways to unleash the math potential in all students. There is a clear gap between what research has shown to work in teaching math and what happens in schools and at home. This book bridges that gap by turning research findings into practical activities and advice. Boaler translates Carol Dweck's concept of mindset into math teaching and parenting strategies, showing how students can go from self-doubt to strong self-confidence, which is so important to math learning. Boaler reveals...
