DEDALUS LTD, United Kingdom, 2013. Paperback. Book Condition: New. 3rd edition. 198 x 124 mm. Language: English . Brand New Book. .reading The Dark Domain by Stephan Grabinski is such a revelatory experience. Because here is a writer for whom supernatural horror is manifest precisely in modernity - in electricity, fire-stations, trains: the uncanny as the bad conscience of today. Sometimes Grabinski is known as the Polish Poe but this is misleading. Where Poe s horror is agonised, a kind of extended shriek, Grabinski s is cerebral, investigative. His protagonists are tortured and aghast, but not because they suffer at the caprice of Lovecraftian blind idiot gods: Grabinski s universe is strange and its principles are perhaps not what we expect, but they are principles - rules- and it is in their exploration that the mystery lies. This is horror as rigour. China Mieville in The Guardia.
