Penguin Publishing Group, United Kingdom, 2008. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. A new urban fantasy featuring a man working on the right side of law-with talents that come from left field. Psychometry-the power to touch an object and divine information about its history-has meant a life of petty crime for Simon Canderous, but now he s gone over to the good side. At New York s underfunded and (mostly) secret Department of Extraordinary Affairs, he s learning about red tape, office politics, and the basics of paranormal investigation. But it s not the paperwork that has him breathless. After Simon spills his coffee on (okay, through) the ghost of a beautiful woman- who doesn t know she s dead-he and his mentor plan to find her killers. But Simon s not prepared for the nefarious plot that unfolds before him, involving politically correct cultists, a large wooden fish, a homicidal bookcase, and the forces of Darkness, which kind of have a crush on him.
