

Catalogue of the Manuscripts in the Hebrew Character (Classic Reprint) (Paperback)

Filesize: 9.6 MB

Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

CATALOGUE OF THE MANUSCRIPTS IN THE HEBREW CHARACTER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Catalogue of the Manuscripts in the Hebrew Character The manuscripts described in the following pages were collected by the late Dr William Aldis Wright, Vice-Master of Trinity College. The number of volumes and rolls amounts to 159, but many volumes contain more than one work each. Most of the manuscripts belonged at one time to the late Dr C. D. Ginsburg, from whom the Vice-Master acquired them. Among other previous owners may be named the Duke of Sussex and the Rev. W. H. Black. The Black collection was housed in Mill Yard, Leman Street, where there was a famous theological library. The collection is one of no little interest, for the late Vice-Master selected his books with keen discrimination. He was one of the Revisers of the Authorized Version of the Bible. In collaboration with the late Dr S. A. Hirsch, he published an unknown Hebrew commentary on Job. These two facts in themselves suffice to account for the splendid collection which he formed. His interest in Hebrew studies was fostered by the late Dr Schiller-Szinessy, who counted Dr Wright among his special pupils. Attention may be drawn to the following works of interest which will be found in the collection: A splendid array of biblical manuscripts, including some Qaraite scrolls, one dating from (circa) 1320. A rare Italian lectionary, containing curious variants in the list of Haftarothe. A commentary on Genesis by Samuel Rofe al-Maghribi, not known to Benjacob, nor in Neubauer s Catalogue. A fine collection of biblical commentaries, including Qaraitica, some by Yepheth ibn Ali. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
