

Treatment of Choice (Paperback)

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.New England and the Berkshire Hills of western Massachusetts provide the perfect setting for The McFadden Series, by author Mary King. Treatment of Choice, the first novel in The McFadden Series, introduces Dr. Lauren McFadden, and her husband, Bryan. As the story begins, Dr. McFadden has survived the December explosion that nearly took her life at the New Choice Women s Center, but not all of her injuries healed without complications. She returns to work and resumes her position as Chief of Orthopedics at Saint Michael s Rehabilitation Center. Her husband, Bryan, who is in charge of the physical therapy department at the center, knows something isn t right with her behavior. Lauren is desperate to get help, but Bryan is skeptical of the controversial form of psychotherapy suggested by their good friend and local parish priest, Father Sean Cody. At work, Dr. McFadden has plenty to deal with in addition to treating patients with spinal cord injuries, amputations, and other orthopedic conditions. She has a soft spot for children, especially teenagers, and it s tough to let go sometimes when a patient is discharged. As summer gets underway, the doctor and her husband take a much needed vacation at beautiful Coral Lake, and for a while, at least, their lives seem to be back on track. Unfortunately, the same old problems at work never seem to go away, especially when Lauren is forced to contend with the rehab center s insolent and uncaring administrator, Jack Allen. His ongoing determination to cut back employees and services may just slam the doors on everything she s built over the past seven years. Their frequent arguments go on for months...
