Anchor Books, United States, 2016. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. In the tradition of Kitchen Confidential and Waiter Rant, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. Jacob Tomsy never intended to go into the hotel business. As a new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in "hospitality" for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. Hes checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten MMs out of your minibar, laughed at your jokes, and taken your money. In Heads in Beds he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. Heads in Beds is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider whos seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping departments dirty little secretsnot to mention the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what its like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay...
