Penguin Books Ltd. Hardback. Book Condition: new. BRAND NEW, Fear and Trembling: Dialectical Lyric by Johannes De Silentio, Soren Kierkegaard, Alastair Hannay, In Fear and Trembling, Soren Kierkegaard's infamous and controversial work made a lasting impression on both modern Protestant theology and existentialist philosophers such as Sartre and Camus. This Penguin Classics edition is translated from the Danish with an introduction by Alistair Hannay. Writing under the pseudonym of 'Johannes de silentio', Kierkegaard expounds his personal view of religion through a discussion of the scene in Genesis in which Abraham prepares to sacrifice his son Isaac at God's command. Believing Abraham's unreserved obedience to be the essential leap of faith needed to make a full commitment to his religion, Kierkegaard himself made great sacrifices in order to dedicate his life entirely to his philosophy and to God. The conviction shown in this religious polemic - that a man can have an exceptional mission in life - informed all Kierkegaard's later writings. His 'teleological suspension of the ethical' challenged the contemporary views of Hegel's universal moral system, and was also hugely influential for both protestant theology and the existentialist movement. Alastair Hannay's introduction evaluates Kierkegaard's philosophy and the ways in which it conflicted with more accepted contemporary views. This edition also includes detailed notes to complement this groundbreaking analysis of religion, and a new chronology. Danish-born S ren Kierkegaard (1813-55) wrote on a wide variety of themes, including religion, psychology, and literature. He is remembered for his philosophy, which pioneered the idea of the Absurd, and was influential and in the development of 20th century existentialism. His other works include The Sickness unto Death, Either/Or, and Papers and Journals, all of which are available in Penguin Classics. If you enjoyed Fear and Trembling, you might like Kierkegaard's The Sickness unto Death,...
