Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

We may defeat reciprocity at the polls; but this is as striking a type of triangular reciprocity as ever happened. It explains why England is keen that Canada should cultivate Uncle Sam s good graces, why that is one of the most important functions Canada can achieve in an Imperial Federation. It is not a movement that is on the surface; but it is a movement like the Gulf Stream, with a tremendous undertow of important effects. THE MOBILIZING OF BRITISH INDUSTRIES AMAZING is the readjustment of. British industrial machinery to the demands of war. Heroism and skill in adapting processes combine to achieve a new cooperative preparedness. This editorial in the Richmond News Leader vividly describes it. No sooner was Lloyd-George named minister of munitions than he took his industrial census; scarcely was the census completed before every...
