Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Vittoz will Revolutionize the World If we consider the importance of these few words Einstein once revealed, this could well be the most exciting book you will ever read. Concentration has always been a crucial skill, whether it is to become rich, to ace an exam or to achieve any other goal that really count in our life: ALL the world most powerful and influential people had in common an incredible focus ability, like Einstein. And yet, in today s fast life, people have more and more difficulties to concentrate. If attention problems can waste one or two hours per day for the luckiest, they can also ruin a whole life especially during an entrance exam where only a quarter of points can make all the difference. Are These Concentration Problems Familiar to You? After I ve read two or three pages, I find that I ve been thinking of other things, and don t remember what I ve been reading My mind wanders when I attend lectures and I often miss capital information I often get distracted when I study at home which makes me work until late hours of the night I tend to spend my time and energy on the small stuff instead of paying attention to the things that are critical to my happiness I can t stay focused on my revision for university exams and yet I have less than one week left When I study, I can t remember what I learned for longer than one or two days and my mind feels foggy whenever I take an exam If you answered Yes at least once, what...
